In **Section 3**, list all of your children and/or other dependents who you are supporting. Include detailed information about with whom your child/ren have lived since birth. Include months and years of each residence, up to the current date. Attach additional pages as necessary. For dependents other than your children or spouse, indicate the month and year they moved in with you (when you began paying **more than half** of their support).

Section 3: Children / Dependents			
Name	Age	Relationship	Residing With and Dates

Section 4: Statement
On a separate page, provide a general statement of how you have been able to support yourself and your child/ren or others. Explain how you will continue to provide for each child/dependent through June 30, 2025.

Certification

I certify that I am the student and that all information contained in this document concerning the financial support of my child/ren and/or others is true. I understand that reporting inaccurate or incomplete information may result in a charge-back of financial aid awarded on the basis of the inaccurate information.

WARNING: If you purposely give false or misleading information, you may be fined, sent to prison, or both.

NOTE: If you realize that you answered the dependency questions incorrectly on the FAFSA, please make corrections at <https://studentaid.gov>. You will need to include your parents' demographic and income information and resubmit your FAFSA. You do not need to return this form if you correct your FAFSA to reflect that you don't provide **more than half** of the financial support for your child/ren or others.
